

to Nebraska. If Nebraska would...

PRESIDENT ROBAK: One minute.

SENATOR CHAMBERS: ...be viewed, and I'm not trying to be sexist, but I've got to keep the analogy intact, if Nebraska were viewed as one of those ladies of the night, all these companies have to do is approach Nebraska and say, give it up, and the drawers drop, and I mean that to be as graphic as I can make it because Nebraska, through the Governor and others, have persuaded this Legislature time and again to distort our processes. Senator Brashear, the bill is not well drafted. It contains things that should never be in legislation. I hope that you will adopt this amendment. But if you don't, you have not heard the last of it. Madam President, since we're still under call, I would ask that we check in, then I'll ask for a roll call vote.

PRESIDENT ROBAK: Thank you, Senator Chambers. Will all senators please check in. We're waiting for Senator Cudaback. We're waiting on Senator Cudaback. Mr. Clerk, please proceed.

CLERK: (Roll call vote taken. See pages 1483-84 of the Legislative Journal.) 5 ayes, 30 nays on the amendment, Madam President.

PRESIDENT ROBAK: The Chambers amendment fails. I raise the call.

CLERK: The next amendment I have is by Senator Engel. AM1416, Senator.

PRESIDENT ROBAK: The Chair recognizes Senator Engel.

SENATOR ENGEL: One-thirty. Take up the bill after that.

PRESIDENT ROBAK: A motion to recess. All those in favor say aye. All those opposed nay. We are in recess.
